We would like for members to provide us with the names and addresses of friends and family who might welcome an invitation to join the Society. Your cooperation will help your Board realize its goal of making Bowne House known to an ever-expanding constituency while increasing our base of support. Member dues make up an important part of our general operating budget, so increased membership enables the Society to better accomplish its mission.

THE BOWNE HOUSE HISTORICAL SOCIETY, INC

Of special interest to the Society are any non-member descendants within the following categories:

- Bowne and/or Parsons families;
- Signers of the Flushing Remonstrance
- Original patentees of the town of Vlissingen/Flushing; and
- Founders of the Bowne House Historical Society.

Of course, the Society is always looking for individuals with an interest in preservation, American and New York history, or the decorative arts, so please list them below as well, and we will send membership materials to them.

Thank you.
